MAY 2015

To our Prospective Sponsors:

We are beginning the process of soliciting local businesses to sponsor the upcoming soccer season of the teams of Gotham Girls FC, and we are hoping you might be interested in becoming a sponsor.

Gotham Girls FC Inc. is a non-profit organization serving children in New York City. Founded in 2007, we are the only soccer program in the New York City area whose focus is the development of female players. We serve children from ages 5 to 18 through recreational, developmental and competitive travel soccer programs. We are a recognized 501(c)(3) organization (tax id number 26-0151402). This year, we expect more than 100 girls to play on approximately 8 teams in three divisions.

We're looking for small business and corporate sponsors for the 2015-2016 season. Sponsoring a team can be a strong marketing tool and demonstrate your commitment to the children of our community. We'll display your company's or organization's name on players' practice shirts, and we'll link your company's or organization's Web site to ours. Because our season runs from late August through late June each year, we are able to offer our sponsors a long period when the girls will likely be seen around the neighborhood wearing the jerseys with your company's name on them!

For those who can consider a sponsorship, we welcome your assistance. Your contribution helps pay for clinics, tournaments, field space and equipment that our league provides to the children. We run dozens of soccer practices and games each week, and we depend on our sponsors' generosity. We offer scholarship assistance to families who request it, and your donations allow us to offer quality soccer instruction to children who would otherwise not have the opportunity to play.

If you are interested in sponsoring a team, please review and complete the attached sponsorship agreement form. You may send the signed sponsorship agreement and your tax-deductible check for \$600 payable to Gotham Girls FC Inc. to me at the above address. We will then sign and provide you a copy of the acceptance.

If you have any questions, please don't hesitate to call me at 917-971-4602. I would welcome the opportunity to discuss in greater detail our sponsorship opportunities.

Thank you for your consideration.

Sincerely,

Cindy Sirko, Treasurer
